Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170
and NSD File No. L-00-72.

Dear FCC:

I have this wireless phone for my teenaged son. Charging extras fees would seriously have me to consider discontinuing this service altogether. Every time you turn around fees are going up. It makes this service a burden rather than a convenience.

I would appreciate it if you would reconsider this extra charged.

Thank you.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Angela Sanders
